

a program has been developed for our
First Nations students who are looking for extra support

Westgate Support Services for TIGERS

providing support for issues such as

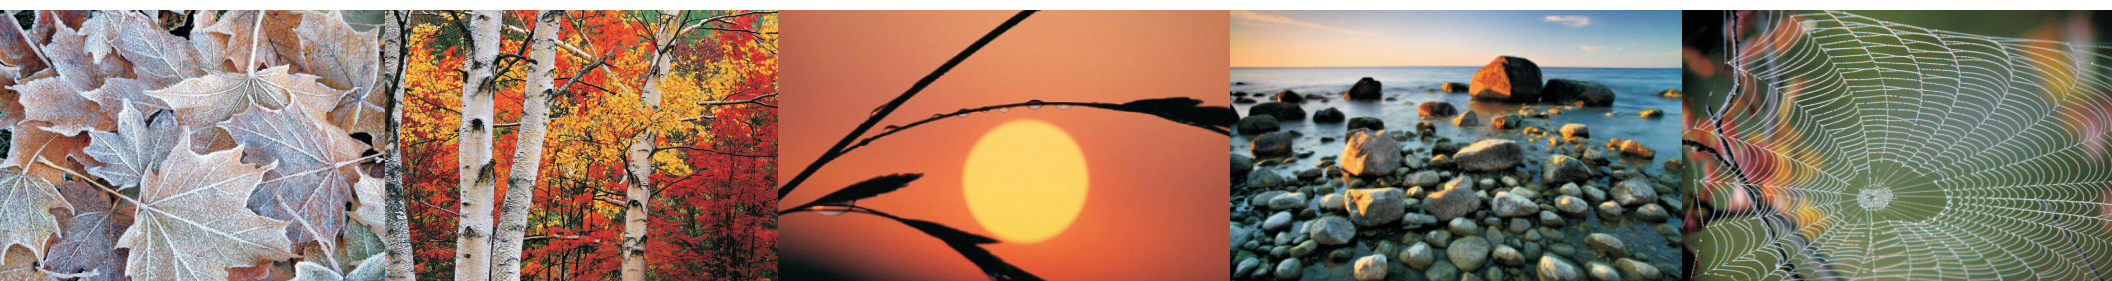

depression	self-esteem
anxiety/stress	anger
family issues	grief/loss
adjustment (to school or the city)	alcohol/drug use
peer relationships	bullying
	sexual abuse

culturally-sensitive, external counselling services

A partnership with Sullivan and Associates will provide a vital support service to those First Nations students who would like extra support in any way.

All you need for a referral is your STATUS CARD and BAND NUMBER.

If you have any questions or are interested in having a referral made for this service, please go to Student Services and see School Social Worker, Laura Ward.

At Westgate, we believe that we are a community of learners.
Each member of our school community is important and plays a valuable role in Tiger success.

Feel welcome, work hard, take the hand offered if you need it.

Working today towards our future.
