

2024 – 2025 WESTGATE C.V.I. COURSE REQUESTS HELPFUL PLANNER

Course selections for next year will be completed through XELLO. Course selections must be entered by **MARCH 4, 2024**.

NOTE: Courses may be subject to cancellation if not enough students select them.

Current Grade 9's

For grade 10, you will choose **six** compulsory courses plus **three** additional credits [nine courses including Civics (CHV205) and Career Studies (GLC205), which are 0.5 credit each].

If you need to repeat a gr. 9 compulsory course, you will be prompted to include the course with your requests.

Current Grade 10's

For Grade 11, you will choose **two** compulsory courses (English and Math) plus **six** additional credits.

You should be considering your Groups 1, 2 and 3 (check your Ontario Student Status sheet and on page 4 of the Westgate Course Calendar). You also need to consider prerequisites that you may be required to take in Grade 12 for post-secondary programs and destinations. It's a good time to do some future planning with your Guidance Counsellor.

Current Grade 11's

For Grade 12, you will choose **one** compulsory course (English) and **five to seven** additional courses. Ensure you meet graduation requirements. Consider selecting the Literacy Course if you have not passed the literacy test yet.

Students wishing to attend college or university are reminded that they must meet specific entrance requirements:

- ∴ **University** – at least (6) Grade 12 “U” or “M” courses, including ENG 4U1, and in many cases a designated overall average (70% for Lakehead University). Students must also meet course prerequisites for certain post-secondary programs. (www.ontariouniversitiesinfo.ca)
- ∴ **College** – ENG4C1 is required. Specific senior mathematics or science courses are also required for post-secondary medical or technology programs. (www.ontariocolleges.ca)
- ∴ **Workplace / Apprenticeship** – consider Cooperative Education, OYAP, and specific mathematics requirements. (<https://www.ontario.ca/page/apprenticeship-ontario>, <https://oyap.com/>)

Current Grade 12's

- If you are not returning next year, select NRT100 and NRT200
- If you are returning semester one only, select NRT200 plus your 3-4 courses for semester one.
